Assistant Commissioner for Patents Washington, D.C. 20231

Sir:

In accordance with the continuing duty of disclosure imposed by 37 C.F.R. §1.56 to inform the Patent and Trademark Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application which are or may be material to the patentability of any claim of the application, Attorneys for Applicants hereby direct the Examiner's attention to references CR to EF listed on the attached revised form PTO-1449. A copy of the listed references are provided herewith.

Identification of the listed references are not to be construed as an admission of the Applicants or Attorneys for the Applicants that such references are available as "prior art" against the subject application. Consequently, the Applicants respectfully decline to use form PTO-1449, since this form identifies all of the references cited therein as "Prior Art." As an alternative, the Applicants submit herewith a "revised form PTO-1449" entitled "List of References Cited" instead of "List of Prior Art Cited".

The Applicants respectfully request that the Examiner review the foregoing references and that the references be made of record in the file history of the application.

This Supplemental Information Disclosure Statement is being filed before the mailing date of the first Office Action on the merits; therefore, Applicants estimate that no fee is

required. If a fee is required, please charge the required fee to Pennie & Edmonds LLP Deposit Account No. 16-1150.
